

**HELLO FROM GONGS UNLIMITED:**

**Yes! We ship our fine gong items all over the world and have for over 7 years and we want to ship to you! We are pretty smart at getting you the best shipping costs that we can.**

**However, in regards to shipping costs, please remember that**

- 1) each item or group of items has a different weight**
- 2) fits in different sized boxes**
- 3) can go to many different countries and cities**
- 4) can be shipped via many different companies and speeds**

**Hence there is not a “one size fits all” international shipping cost that allows you to just press a button on the shopping cart and order.**

**We need to figure out your ship cost based on these specifics:**

- A – We need to know the item(s) you are interested in**
- B - We need to know the country, city, and postal code you want them shipped to**
- C - We need to know if this is a rush, or you can wait 2 to 3 weeks.**

**Please make note of them below, or send the answer back to us in an email to [info@gongs-unlimited.com](mailto:info@gongs-unlimited.com) with a subject line that is like INTL SHIP COST REQUEST, or something like that, like GONG TO TUNISIA, HOW MUCH TO SHIP?**

**A –**

**B –**

**C -**

**Once we have this information, we can calculate these costs and get back to you. Please note: We accept payment via paypal, credit card or bank wire transfer.**
